In the United States Court of Federal Claims

NOTICE OF ADOPTION OF AMENDMENTS TO RULES

On May 8, 2015, the court posted notice on its website advising of proposed amendments to its rules and inviting public comment on the proposed amendments by June 22, 2015. In response, one comment was received—not specific to any of the currently proposed rules but directed more generally to the proposition that the court consider extending electronic filing privileges to all qualifying pro se plaintiffs. The court intends to examine this issue at a future date. There being no other comments to consider, the court hereby announces the adoption of the amendments to its rules as originally proposed on its website on May 8, 2015.

The rules amended by this notice are available on the court's website at http://www.uscfc.uscourts.gov.
