OFFICE OF SPECIAL MASTERS

[redacted] Petitioner, v. SECRETARY OF HEALTH AND HUMAN SERVICES, Respondent.	)	No. [redacted]V Special Master Millman

RESPONDENT'S PROFFER ON AWARD OF COMPENSATION

I. Items of Compensation

A. Life Care Items

The respondent engaged life care planner Laura Fox, MSN, RN, CLCP, and petitioner engaged Lynn Trautwein, BSN, RN, CNCLP, to work together to provide an estimation of [redacted]'s future vaccine injury-related needs. All items of compensation identified in the life care plan are supported by the evidence, and are illustrated by the chart entitled **Appendix A: Items of Compensation for** [redacted], attached hereto as Tab A.[1] Respondent proffers that [redacted] should be awarded all items of compensation set forth in the life care plan and illustrated by the chart attached at Tab A. Petitioner agrees.

[1] The chart at Tab A illustrates the annual benefits provided by the life care plan. The annual benefit years run from the date of judgment up to the first anniversary of the date of judgment, and every year thereafter up to the anniversary of the date of judgment.

B. Lost Earnings

The parties agree that based upon the evidence of record, petitioner has suffered a loss of earnings related to her vaccine injury and that it is unlikely that she will be gainfully employed in the future. Therefore, respondent proffers that [redacted] should be awarded $955,473.00 in lost earnings as provided under the Vaccine Act, 42 U.S.C. § 300aa-15(a)(3)(A). Petitioner agrees.

C. Pain and Suffering

Respondent proffers that [redacted] should be awarded $207,110.96 in actual and projected pain and suffering. This amount reflects that the award for projected pain and suffering has been reduced to net present value. See 42 U.S.C. § 300aa-15(a)(4). Petitioner agrees.

D. Past Unreimbursable Expenses

Evidence supplied by petitioner documents her expenditure of past unreimbursable expenses. Respondent proffers that petitioner, [redacted], is entitled to total past unreimbursable expenses in the amount of $162,135.67. Petitioner agrees.

E. Medicaid Lien

Petitioner represents that there are no Medicaid liens outstanding against her.

II. Form of the Award

The parties recommend that the compensation provided to [redacted] should be made through a combination of a lump sum payment and future annuity payments as described below, and request that the special master's decision and the Court's judgment award the following:

A. A lump sum payment of $1,443,776.30, representing life care expenses for Year One ($119,056.67), lost earnings ($955,473.00), pain and suffering ($207,110.96), and past unreimbursable expenses payable to petitioner($162,135.67), in the form of a check payable to [redacted], petitioner;

B. An amount sufficient to purchase an annuity contract, subject to the conditions described below, that will provide payments for the life care items contained in the life care plan, as illustrated by the chart at Tab A attached hereto, paid to the life insurance company[2] from which the annuity will be purchased. Compensation for Year Two (beginning on the first anniversary of the date of judgment) and all subsequent years shall be provided through respondent's purchase of an annuity, which annuity shall make payments directly to petitioner, [redacted], only so long as [redacted] is alive at the time a particular payment is due. At the Secretary's sole discretion, the periodic payments may be provided to petitioner in monthly, quarterly, annual or other installments. The "annual amounts" set forth in the chart at Tab A describe only the total yearly sum to be paid to petitioner and do not require that the payment be made in one annual installment.

---

[2] The Life Insurance Company must have a minimum of $250,000,000 capital and surplus, exclusive of any mandatory security valuation reserve. The Life Insurance Company must have one of the following ratings from two of the following rating organizations:

a. A.M. Best Company: A++, A+, A+g, A+p, A+r, or A+s;

b. Moody's Investor Service Claims Paying Rating: Aa3, Aa2, Aa1, or Aaa;

c. Standard and Poor's Corporation Insurer Claims-Paying Ability Rating: AA-, AA, AA+, or AAA;

d. Fitch Credit Rating Company, Insurance Company Claims Paying Ability Rating: AA-, AA, AA+, or AAA.

1. Growth Rate

Respondent proffers that a four percent (4%) growth rate should be applied to all non-medical life care items, and a five percent (5%) growth rate should be applied to all medical life care items. Thus, the benefits illustrated in the chart at Tab A that are to be paid through annuity payments should grow as follows: four percent (4%) compounded annually from the date of judgment for non-medical items, and five percent (5%) compounded annually from the date of judgment for medical items. Petitioner agrees.

2. Life-contingent annuity

Petitioner will continue to receive the annuity payments from the Life Insurance Company only so long as she, [redacted], is alive at the time that a particular payment is due. Petitioner agrees to make arrangements to ensure that written notice is provided to the Secretary of Health and Human Services and the Life Insurance Company within twenty (20) days of [redacted] death.

3. Guardianship

Petitioner is a competent adult. Evidence of guardianship is not required in this case.

III. Summary of Recommended Payments Following Judgment

A. Lump Sum paid to petitioner: **$1,443,776.30**

B. An amount sufficient to purchase the annuity contract described above in section II. B.
