**UNPUBLISHED DECISION<sup>1</sup>**

Zane, Special Master.

On August 21, 2012, the parties in the above-captioned case filed a Stipulation memorializing their agreement as to the appropriate amount of compensation in this case. Petitioner alleged that she suffered Guillain-Barré Syndrome (“GBS”), as a result of her receipt of the influenza (“flu”) vaccine, which vaccine is contained in the Vaccine Injury Table, 42 C.F.R § 100.3(a), and which she received on or about November 11, 2010. Petitioner also represents that there have been no prior awards or settlement of a civil action for these damages. Petitioner seeks compensation related to her injuries pursuant to the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10 to 34.

<sup>1</sup> The special master intends to post this decision on the website for the United States Court of Federal Claims in accordance with the E-Government Act of 2002, Pub. L. No. 107-347, 116 Stat. 2899, 2913 (Dec. 17, 2002). All decisions of the special masters will be made available to the public unless they contain trade secrets or commercial or financial information that is privileged and confidential, or medical or similar information whose disclosure would clearly be an unwarranted invasion of privacy. As provided by Vaccine Rule 18(b), each party has 14 days to file a motion requesting the redaction from this decision of any such alleged material. In the absence of a timely request, which includes a proposed redacted decision, the entire document will be made publicly available.

Respondent denies that the flu vaccine caused Petitioner to suffer GBS, or any other injury. Nonetheless, the parties have agreed informally to resolve this matter. Stipulation, Appendix A hereto.

The court hereby ADOPTS the parties' said Stipulation, attached hereto as Appendix A, and awards compensation in the amount and on the terms set forth therein. Specifically, Petitioner is awarded:

- a. a lump sum of \$75,000.00, in the form of a check payable to Petitioner.** This amount represents compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a);
- b. a lump sum of \$350.00, in the form of a check payable to Petitioner.** This amount represents costs incurred by Petitioner in pursuit of her claim, pursuant to 42 U.S.C. §300aa-15(e); and
- c. a lump sum of \$11,500.00, in the form of a check payable jointly to Petitioner and Petitioner's attorney, Jeffrey A. Golvash, of Brennan Robins & Daley, P.C., for attorney's fees and costs available under 42 U.S.C. §300aa-15(e).**

The court thanks the parties for their cooperative efforts in resolving this matter. In the absence of a motion for review filed pursuant to RCFC, Appendix B, the Clerk is directed to enter judgment accordingly.<sup>2</sup>

STIPULATION

The parties hereby stipulate to the following matters:

1. Mary E. Pavilonis, petitioner, filed a petition for vaccine compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10 to 34 (the “Vaccine Program”). The petition seeks compensation for injuries allegedly related to Ms. Pavilonis’s receipt of the influenza (“flu”) vaccine, which vaccine is contained in the Vaccine Injury Table (the “Table”), 42 C.F.R. § 100.3 (a).

2. Petitioner received her flu immunization on November 11, 2010.

3. The vaccine was administered within the United States.

4. Petitioner alleges that the flu vaccine caused her to suffer Guillian-Barré Syndrome (“GBS”).

5. Petitioner represents that there has been no prior award or settlement of a civil action for damages on her behalf as a result of her condition.

6. Respondent denies that the flu vaccine caused petitioner to suffer GBS or any other injury or condition.

7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payments:

- a. A lump sum of \$75,000.00 in the form of a check payable to petitioner. This amount represents compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a);
- b. A lump sum of \$350.00 in the form of a check payable to petitioner. This amount represents costs incurred by petitioner in pursuit of her claim, pursuant to 42 U.S.C. § 300aa-15(e); and
- c. A lump sum of \$11,500.00, in the form of a check payable jointly to petitioner and petitioner's attorney, Jeffrey Golvash, of Brennan Robins & Daley, P.C., pursuant to 42 U.S.C. § 300aa-15(e), for attorneys' fees and costs.

9. Petitioner and her attorney represent that compensation to be provided pursuant to this Stipulation is not for any items or services for which the Program is not primarily liable under 42 U.S.C. § 300aa-15(g), to the extent that payment has been made or can reasonably be expected to be made under any State compensation programs, insurance policies, Federal or State health benefits programs (other than Title XIX of the Social Security Act (42 U.S.C. § 1396 et seq.)), or by entities that provide health services on a pre-paid basis.

10. Payments made pursuant to paragraph 8 of this Stipulation will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

11. The parties and their attorneys further agree and stipulate that, except for any award for attorneys' fees and litigation costs, the money provided pursuant to this Stipulation will be

used solely for the benefit of petitioner as contemplated by a strict construction of 42 U.S.C. § 300aa-15(a) and (d), and subject to the conditions of 42 U.S.C. § 300aa-15(g) and (h).

12. In return for the payments described in paragraph 8, petitioner, in her individual capacity, and on behalf of her heirs, executors, administrators, successors or assigns, does forever irrevocably and unconditionally release, acquit and discharge the United States and the Secretary of Health and Human Services from any and all actions or causes of action (including agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature) that have been brought, could have been brought, or could be timely brought in the Court of Federal Claims, under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 et seq., on account of, or in any way growing out of, any and all known or unknown, suspected or unsuspected personal injuries to or death of petitioner resulting from, or alleged to have resulted from, the flu vaccination administered on November 11, 2010, as alleged by petitioner in a petition for vaccine compensation filed on or about December 5, 2011, in the United States Court of Federal Claims as petition No. 11-853V.

13. If petitioner should die prior to entry of judgment, this agreement shall be voidable upon proper notice to the Court on behalf of either or both of the parties.

14. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation or if the Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be voidable at the sole discretion of either party.

15. This Stipulation expresses a full and complete negotiated settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended. There is absolutely no agreement on the part of the parties hereto to make any payment or to do any act

Respectfully submitted,
