### DECISION DIRECTING ENTRY OF JUDGMENT<sup>1</sup>

Petitioner, Jeanette Adler (Ms. Adler), seeks compensation under the National Vaccine Injury Compensation Program (Program).<sup>2</sup> Ms. Adler filed a Program petition on June 28, 2007. See Petition (Pet.). Ms. Adler asserts that she suffered a neurologic injury following the administration of an influenza vaccination on October 29, 2002. See, e.g., Pet. ¶¶ 9-10.

Respondent denies that Ms. Adler sustained a vaccine-related injury. See, e.g., Stipulation (Stipulation), filed March 14, 2008, ¶ 5. Nevertheless, on March 14, 2008, the parties filed a Stipulation. See Stipulation. The special master has reviewed thoroughly the Stipulation. He adopts completely the Stipulation. Therefore, in the absence of a motion for review filed under RCFC Appendix B, the clerk of court shall enter judgment based upon the Stipulation in Ms. Adler's favor.

As provided by Vaccine Rule 18(b), each party has 14 days within which to request redaction "of any information furnished by that party (1) that is trade secret or commercial or financial information and is privileged or confidential, or (2) that are medical files and similar files the disclosure of which would constitute a clearly unwarranted invasion of privacy." Vaccine Rule 18(b). Otherwise, "the entire decision" will be available to the public. *Id*.

<sup>&</sup>lt;sup>2</sup> The statutory provisions governing the Vaccine Program are found in 42 U.S.C. §§ 300aa-10 et seq. For convenience, further reference will be to the relevant section of 42 U.S.C.

Under Vaccine Rule 11(a), the parties may expedite entry of judgment by filing a joint notice renouncing the right to seek review. Then, under Vaccine Rule 12(a), Ms. Adler may expedite payment by filing an election to accept the judgment.

The clerk of court shall send Ms. Adler's copy of this decision to Ms. Adler by overnight express delivery.

#### **STIPULATION**

The parties hereby stipulate to the following matters:

- 1. Jeanette Adler, petitioner, filed a petition for vaccine compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 to 34 (the "Vaccine Program"). The petition seeks compensation for injuries allegedly related to petitioner's receipt of trivalent influenza vaccine, which vaccine is contained in the Vaccine Injury Table (the "Table"), 42 C.F.R. § 100.3 (a)(XIV).
  - 2. Petitioner received an influenza vaccination on October 29, 2002.
  - 3. The vaccination was administered within the United States.
- 4. Petitioner alleges that she sustained the first symptom or manifestation of the onset of severe back and thigh pain, inability to walk, numbness in her lower extremities, confusion, disorientation, urinary retention, and constipation on November 13, 2002. She further alleges that she suffered severe back, leg, and rectal pain as sequelae of her injury.
- 5. Petitioner represents that there has been no prior award or settlement of a civil action for damages on her behalf as a result of her condition.
  - 6. Respondent denies that petitioner suffered the onset of severe back and thigh pain,

inability to walk, numbness in her lower extremities, confusion, disorientation, urinary retention, and constipation as the result of her influenza vaccination and denies that petitioner's current disabilities are sequelae of her alleged vaccine-related injury.

- 7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.
- 8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payments:
  - a. A lump sum of \$65,000.00 in the form of a check payable to petitioner. This amount represents compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a); and
  - b. A lump sum of \$13,507.89 in the form of a check payable to petitioner and petitioner's attorney, Craig A. Post, for attorney's fees and costs, and, in compliance with General Order #9, petitioner incurred no out-of-pocket expenses in proceedings on the petition.
- 9. Payments made pursuant to paragraph 8 of this Stipulation will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.
- 10. The parties and their attorneys further agree and stipulate that, except for any award for attorneys' fees and litigation costs, the money provided pursuant to this Stipulation will be used solely for the benefit of petitioner as contemplated by a strict construction of 42 U.S.C. § 300aa-15(a) and (d), and subject to the conditions of 42 U.S.C. § 300aa-15(g) and (h).
- 11. In return for the payments described in paragraph 8, petitioner, in her individual capacity, and on behalf of her heirs, executors, administrators, successors or assigns, does forever

and fully expressly release, acquit and discharge the Secretary of Health and Human Services and the United States of America from any and all actions, causes of action, agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature on account of, or in any way growing out of, any and all known or unknown personal injuries to or death of petitioner resulting from, or alleged to have resulted from, the influenza vaccination administered on October 29, 2002, as alleged by petitioner in a petition for vaccine compensation filed on or about June 28, 2007, in the United States Court of Federal Claims as petition No. 07-440V.

- 12. If petitioner should die prior to receiving the payments described in paragraph 8, this agreement shall be considered voidable upon proper notice to the Court on behalf of either or both of the parties.
- 13. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation or if the Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be null and void at the sole discretion of either party.
- 14. This Stipulation expresses a full and complete settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended. There is absolutely no agreement on the part of the parties hereto to make any payment or to do any act or thing other than is herein expressly stated and clearly agreed to.
- 15. All rights and obligations of petitioner hereunder shall apply equally to petitioner's successors and assigns.
