### **DECISION AWARDING DAMAGES<sup>1</sup>**

On May 30, 2012, Petitioner, LK, filed a petition seeking compensation under the National Vaccine Injury Compensation Program (“the Vaccine Program”). Petitioner alleged that she suffered a hypersensitivity reaction, acute demyelinating encephalomyelitis (“ADEM”), and gastrointestinal, and menstrual issues, as a result of receiving an HPV Vaccination.<sup>2</sup>

<sup>1</sup> Because this decision contains a reasoned explanation for the undersigned’s action in this case, the undersigned intends to post this decision on the United States Court of Federal Claims’ website, in accordance with the E-Government Act of 2002, Pub. L. No. 107-347, § 205, 116 Stat. 2899, 2913 (codified as amended at 44 U.S.C. § 3501 note (2006)). As provided by Vaccine Rule 18(b), each party has 14 days within which to request redaction “of any information furnished by that party: (1) that is a trade secret or commercial or financial in substance and is privileged or confidential; or (2) that includes medical files or similar files, the disclosure of which would constitute a clearly unwarranted invasion of privacy.” Vaccine Rule 18(b). Otherwise, “the entire” decision will be available to the public. Id.

<sup>2</sup> The National Vaccine Injury Compensation Program is set forth in Part 2 of the National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755, codified as

Respondent denies that Petitioner's HPV vaccination caused her hypersensitivity reaction, acute demyelinating encephalomyelitis ("ADEM"), and gastrointestinal, and menstrual issues. Nonetheless, both parties, while maintaining their above stated positions, agreed in a Stipulation, filed August 2, 2013, ("Stipulation") that the issues before them can be settled and that a decision should be entered awarding Petitioner compensation.

The undersigned finds said stipulation reasonable and adopts it as the decision of the Court in awarding damages, on the terms set forth therein.

The stipulation awards:

A lump sum of \$115,000.00 in the form of a check payable to Petitioner. This amount represents compensation for all damages that would be available under 42 U.S.C. §300aa-15(a) to which Petitioner would be entitled; and

Stipulation ¶ 8(a).

A lump sum of \$10,000.00, in the form of a check payable to Petitioner and Petitioner's mother, AK, for past unreimbursed medical expenses;

Stipulation ¶ 8(b).

The parties further stipulated that they had reached the following agreement with respect to attorneys' fees:

A lump sum of \$20,500.00, in the form of a check payable to Petitioner and Petitioner's attorney, Mindy Michaels Roth, Britcher, Leone, and Roth, L.L.C., for attorneys' fees and costs. In accordance with General Order No. 9, Petitioner represents that she incurred no out-of-pocket expenses in proceeding on the petition.

Stipulation ¶8(c).

The above amounts represent compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a). Stipulation ¶ 8.

amended, 42 U.S.C.A. § 300aa-10-§ 300aa-34 (West 1991 & Supp. 2002) (Vaccine Act or the Act). All citations in this decision to individual sections of the Vaccine Act are to 42 U.S.C.A. § 300aa.

The undersigned approves the requested amounts for Petitioner's compensation. In the absence of a motion for review filed pursuant to RCFC Appendix B, the clerk of the court is directed to enter judgment herewith.<sup>3</sup>

STIPULATION

The parties hereby stipulate to the following matters:

1. Petitioner filed a petition for vaccine compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 to 34 (the “Vaccine Program”). The petition seeks compensation for injuries allegedly related to petitioner’s receipt of the human papillomavirus (“HPV”) vaccine, which vaccine is contained in the Vaccine Injury Table (the “Table”), 42 C.F.R. § 100.3 (a).
2. Petitioner received a HPV immunization on July 16, 2009.
3. The vaccine was administered within the United States.
4. Petitioner alleges that she developed a hypersensitivity reaction, acute demyelinating encephalomyelitis (“ADEM”), gastrointestinal and menstrual issues, and that all of these conditions were caused-in-fact by her HPV vaccination. She further alleges that she has experienced residual effects of these injuries for more than six months.
5. Petitioner represents that there has been no prior award or settlement of a civil action for damages on her behalf as a result of her condition.

6. Respondent denies that petitioner's hypersensitivity reaction, ADEM, gastrointestinal or menstrual symptoms, or any other condition, were caused-in-fact by her HPV vaccination. Respondent also denied that petitioner experienced the residual effects of her injuries for more than six months.

7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payments:

- a. A lump sum of \$115,000.00 in the form of a check payable to petitioner, and
- b. A lump sum of \$10,000.00 in the form of a check payable to petitioner and her mother, AK for past unreimbursed medical expenses, and
- c. A lump sum of \$20,500.00 in the form of a check payable to petitioner and petitioner's attorney, Mindy Michaels Roth, Britcher, Leone, and Roth, L.L.C., for attorneys' fees and costs available under 42 U.S.C. § 300aa-15(e), and, in compliance with General Order #9, no out-of-pocket expenses were incurred by petitioner in proceeding on the petition.

The amounts in paragraphs 8(a) and (b) represent compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a).

9. Petitioner and her attorney represent that they have identified to respondent all known sources of payment for items or services for which the Program is not primarily liable under 42 U.S.C. § 300aa-15(g), including State compensation programs, insurance policies, Federal or State health benefits programs (other than Title XIX of the Social Security Act (42 U.S.C. § 1396 et seq.)), or entities that provide health services on a pre-paid basis.

10. Payments made pursuant to paragraph 8 of this Stipulation will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

11. The parties and their attorneys further agree and stipulate that, except for any award for attorneys' fees, and litigation costs, and past unreimbursable expenses, the money provided pursuant to this Stipulation, will be used solely for the benefit of petitioner as contemplated by a strict construction of 42 U.S.C. § 300aa-15(a) and (d), and subject to the conditions of 42 U.S.C. § 300aa-15(g) and (h).

12. In return for the payments described in paragraph 8, petitioner, in her individual capacity and on behalf of her heirs, executors, administrators, successors or assigns, does forever irrevocably and unconditionally release, acquit and discharge the United States and the Secretary of Health and Human Services from any and all actions or causes of action (including agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind of nature) that have been brought, could have been brought, or could be timely brought in the Court of Federal Claims, under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 et seq., on account of, or in any way growing out of, any and all known or unknown, suspected or unsuspected personal injuries to or death of petitioner resulting from, or alleged to have resulted from, the HPV vaccination administered on July 16, 2009, as alleged by petitioner in a petition for vaccine compensation filed on or about May 11, 2012, in the United States Court of Federal Claims as petition No. 12-339v.

13. If petitioner should die prior to entry of judgment, this agreement shall be voidable upon proper notice to the Court on behalf of either or both of the parties.

14. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation or if the Court of Federal Claims fails to enter judgment in conformity

with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be voidable at the sole discretion of either party.

15. This Stipulation expresses a full and complete negotiated settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended. There is absolutely no agreement on the part of the parties hereto to make any payment or to do any act or thing other than is herein expressly stated and clearly agreed to. The parties further agree and understand that the award described in this Stipulation may reflect a compromise of the parties' respective positions as to liability and/or amount of damages, and further, that a change in the nature of the injury or condition or in the items of compensation sought, is not grounds to modify or revise this agreement.

16. This Stipulation shall not be construed as an admission by the United States or the Secretary of Health and Human Services that petitioner's hypersensitivity reaction, ADEM, gastrointestinal or menstrual symptoms, or any other condition, was caused-in-fact by her HPV vaccination, or that petitioner experienced the residual effects of these injuries for more than six months.

17. All rights and obligations of petitioner hereunder shall apply equally to petitioner's heirs, executors, administrators, successors, and/or assigns.
