**DECISION (INCLUDING FEES)**

**HASTINGS, Special Master.**

This is an action seeking an award under the National Vaccine Injury Compensation Program<sup>2</sup> on account of an injury suffered by Sarah Gregory. On April 15, 2013, counsel for both parties filed a Stipulation, stipulating that a decision should be entered granting compensation. The parties have stipulated that petitioner shall receive the following compensation:

<sup>1</sup> Because this document contains an explanation for my action in this case, I intend to post this document on the United States Court of Federal Claims' website, in accordance with the E-Government Act of 2002, Pub. L. No. 107-347, 116 Stat. 2899, 2913 (Dec. 17, 2002). Therefore, as provided by Vaccine Rule 18(b), each party has 14 days within which to request redaction "of any information furnished by that party (1) that is trade secret or commercial or financial information and is privileged or confidential, or (2) that are medical files and similar files the disclosure of which would constitute a clearly unwarranted invasion of privacy." Vaccine Rule 18(b). Otherwise, this entire document will be available to the public. *Id.*

<sup>2</sup> The applicable statutory provisions defining the Program are found at 42 U.S.C. § 300aa-10 *et seq.* (2006 ed.). Hereinafter, for ease of citation, all "\$" references will be to 42 U.S.C. (2006 ed.).

- A lump sum of \$25,000.00, in the form of a check payable to petitioner, representing compensation for all damages that would be available under 42 U.S.C. §300aa-15(a).
- A lump sum of \$38,500.00, in the form of a check payable jointly to petitioner and petitioner’s counsel, Curtis R. Webb, representing compensation for attorney’s fees and costs.

Under the statute governing the Program, as well as the “Vaccine Rules” adopted by this court, the special master must now enter a decision endorsing that stipulation, and the clerk must enter judgment, in order to authorize payment of the award. See § 300aa-12(d)(3)(A) and (e)(3); § 300aa-13(a); Vaccine Rules 10(a), 11(a).<sup>3</sup>

I have reviewed the file, and based on that review, I conclude that the parties’ stipulation appears to be an appropriate one. Accordingly, my decision is that a Program award shall be made to petitioner in the amount set forth above. In the absence of a timely-filed motion for review of this Decision, the clerk shall enter judgment in accordance herewith.

**IT IS SO ORDERED.**

SPECIAL MASTER

STIPULATION

The parties hereby stipulate to the following matters:

1. Petitioner filed a petition for vaccine compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 to 34 (the "Vaccine Program"). The petition seeks compensation for injuries allegedly related to petitioner's receipt of the Human Papillomavirus ("HPV") vaccine, which vaccine is contained in the Vaccine Injury Table (the "Table"), 42 C.F.R. § 100.3(a).
2. Petitioner received HPV, meningococcal, and tetanus-diphtheria-acellular pertussis ("Tdap") immunizations on July 23, 2009.
3. These vaccines were administered within the United States.
4. Petitioner alleges that she developed pancreatitis and blood clots that were caused-in-fact by her HPV vaccination, and that she experienced residual effects of these injuries for more than six months.
5. Petitioner represents that there has been no prior award or settlement of a civil action for damages on her behalf as a result of her condition.

6. Respondent denies that petitioner's pancreatitis and/or blood clots, or any other injury, were caused-in-fact by her HPV, meningococcal, and/or Tdap vaccinations. Respondent also denies that petitioner experienced the residual effects of these injuries for more than six months.

7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payments:

a. A lump sum of \$25,000.00 in the form of a check payable to petitioner. This amount represents compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a);

b. A lump sum of \$38,500.00 in the form of a check payable to petitioner and petitioner's attorney, Curtis R. Webb, for attorneys' fees and costs available under 42 U.S.C. § 300aa-15(e), and, in compliance with General Order #9, no out-of-pocket expenses were incurred by petitioner in proceeding on the petition.

9. Petitioner and her attorney represent that compensation to be provided pursuant to this Stipulation is not for any items or services for which the Program is not primarily liable under 42 U.S.C. § 300aa-15(g), to the extent that payment has been made or can reasonably be expected to be made under any State compensation programs, insurance policies, Federal or State health benefits programs (other than Title XIX of the Social Security Act (42 U.S.C. § 1396 et seq.)), or by entities that provide health services on a pre-paid basis.

10. Payments made pursuant to paragraph 8 of this Stipulation will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

11. The parties and their attorneys further agree and stipulate that, except for any award for attorneys' fees and litigation costs, the money provided pursuant to this Stipulation will be used solely for the benefit of petitioner as contemplated by a strict construction of 42 U.S.C. § 300aa-15(a) and (d), and subject to the conditions of 42 U.S.C. § 300aa-15(g) and (h).

12. In return for the payments described in paragraph 8, petitioner, in her individual capacity and on behalf of her heirs, executors, administrators, successors or assigns, does forever irrevocably and unconditionally release, acquit and discharge the United States and the Secretary of Health and Human Services from any and all actions or causes of action (including agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature) that have been brought, could have been brought, or could be timely brought in the Court of Federal Claims, under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 et seq., on account of, or in any way growing out of, any and all known or unknown, suspected or unsuspected personal injuries to or death of petitioner resulting from, or alleged to have resulted from, the HPV, meningococcal, and Tdap vaccinations administered on July 23, 2009, as alleged by petitioner in a petition for vaccine compensation filed on or about April 15, 2011, in the United States Court of Federal Claims as petition No. 11-239V.

13. If petitioner should die prior to entry of judgment, this agreement shall be voidable upon proper notice to the Court on behalf of either or both of the parties.

14. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation or if the Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be voidable at the sole discretion of either party.

Respectfully submitted,
