

vaccine. See §§ 13(a)(1)(A) and 11(c)(1). An examination of the record did not uncover any evidence that Henry suffered a “Table Injury.” Further, the record does not contain a medical expert’s opinion or any other persuasive evidence indicating that Henry’s injury was vaccine-caused.

Under the Act, the petitioner may not be given a Program award based solely on the petitioner’s claims alone. Rather, the petition must be supported by either medical records or by the opinion of a competent physician. § 13(a)(1). In this case, the record does not contain medical records or a medical opinion sufficient to demonstrate that Henry was injured by a vaccine. For these reasons, in accordance with § 12(d)(3)(A), **the petitioner’s claim for compensation is denied and this case is dismissed for insufficient proof.**

The petitioner has also filed an unopposed motion for an award of attorneys’ fees and costs pursuant to §§ 15(b) and (e)(1). Respondent has reviewed the motion and does not object. Petitioner seeks a total award of \$6,450.40, representing \$6,111.58 for attorney’s fees, and \$338.82 for petitioner’s litigation costs.

The request for attorneys’ fees and costs is granted. Petitioner is awarded reasonable attorneys’ fees and costs pursuant to §§ 15(b) and (e)(1), as I find that the petition was brought in good faith and upon reasonable basis, and the amounts requested are reasonable and appropriate. Accordingly, **I award³ the following amounts:**

- A lump sum of \$6,111.58 in the form of a check payable jointly to petitioner and petitioner’s attorney, Thomas P. Gallagher.
- A lump sum of \$338.82, in the form of a check payable to petitioner.

In the absence of a timely-filed motion for review filed pursuant to Appendix B of the Rules of the U.S. Court of Federal Claims, the clerk of the court shall enter judgment in accordance herewith.⁴

IT IS SO ORDERED.

/s/ George L. Hastings, Jr.
George L. Hastings, Jr.
Special Master

³ These amounts are intended to cover all legal expenses incurred in this matter. This award encompasses all charges by the attorney against a client, “advanced costs” as well as fees for legal services rendered. Furthermore, §15(e)(3) prevents an attorney from charging or collecting fees (including costs) that would be in addition to the amount awarded herein. *See generally Beck v. Sec’y of Dep’t Health and Human Services*, 924 F.2d 1029 (Fed.Cir. 1991).

⁴ Entry of judgment can be expedited by each party’s filing of notice renouncing the right to seek review. See Vaccine Rule 11(a).
