DECISION AWARDING ATTORNEYS' FEES AND COSTS¹

On February 1, 2012, the parties communicated that they reached an agreement regarding attorneys' fees and costs.

In accordance with the General Order #9 requirements, petitioners state that they did not incur any expenses to pursue the petition.

¹ Because this unpublished decision contains a reasoned explanation for the special master's action in this case, the special master intends to post this unpublished decision on the United States Court of Federal Claims's website, in accordance with the E-Government Act of 2002, Pub. L. No. 107-347, 116 Stat. 2899, 2913 (Dec. 17, 2002). Vaccine Rule 18(b) states that all decisions of the special masters will be made available to the public unless they contain trade secrets or commercial or financial information that is privileged and confidential, or medical or similar information whose disclosure would constitute a clearly unwarranted invasion of privacy. When such a decision is filed, petitioner has 14 days to identify and move to redact such information prior to the document's disclosure. If the special master, upon review, agrees that the identified material fits within the banned categories listed above, the special master shall redact such material from public access.

The parties have agreed to an award of a lump sum of \$14,362.97 for attorneys' fees and costs. The undersigned finds this amount to be reasonable. Accordingly, the court awards **\$14,362.97**, representing reimbursement for attorneys' fees and costs. The award shall be in the form of one check made jointly payable to petitioners and Lommen Abdo Law Firm in the amount of **\$14,362.97**.

In the absence of a motion for review filed pursuant to RCFC Appendix B, the clerk of the court is directed to enter judgment herewith.²

IT IS SO ORDERED.
