Attorneys' Fees and Costs Decision
Based on Stipulation of Fact

MILLMAN, Special Master

DECISION AWARDING ATTORNEYS' FEES AND COSTS¹

On April 10, 2012, the parties filed an amended stipulation of fact² in which they resolved the appropriate amount for attorneys' fees and costs in this case.

¹ Because this unpublished decision contains a reasoned explanation for the special master's action in this case, the special master intends to post this unpublished decision on the United States Court of Federal Claims's website, in accordance with the E-Government Act of 2002, Pub. L. No. 107-347, 116 Stat. 2899, 2913 (Dec. 17, 2002). Vaccine Rule 18(b) states that all decisions of the special masters will be made available to the public unless they contain trade secrets or commercial or financial information that is privileged and confidential, or medical or similar information whose disclosure would constitute a clearly unwarranted invasion of privacy. When such a decision is filed, petitioner has 14 days to identify and move to redact such information prior to the document's disclosure. If the special master, upon review, agrees that the identified material fits within the banned categories listed above, the special master shall redact such material from public access.

² Petitioner originally filed a Stipulation of Facts Concerning Attorneys' Fees and Costs. ECF No. 32. This Stipulation contained typographical errors regarding the amount of attorneys' fees and costs to which respondent does not object. Subsequently, petitioner filed an Amended Stipulation of Facts Concerning Attorneys' Fees and Costs, ECF No. 33, which contained the correct amount. The undersigned's law

In accordance with the General Order #9 requirement, petitioner states that she did not incur any costs to pursue her petition.

Petitioner initially submitted a draft application for attorneys' fees and costs to respondent. During informal discussions, respondent raised objections to certain items. Petitioner amended her application and now requests \$15,000.00 in attorneys' fees and costs to which respondent does not object. The undersigned finds this amount to be reasonable. Accordingly, the court awards **\$15,000.00**, representing reimbursement for attorneys' fees and costs. The award shall be in the form of a check made payable jointly to petitioner and Maglio Christopher & Toale, PA, in the amount of **\$15,000.00**.

In the absence of a motion for review filed pursuant to RCFC Appendix B, the clerk of the court is directed to enter judgment herewith.³

IT IS SO ORDERED.
