No. 08-916V
Special Master Christian J. Moran

Filed: April 16, 2012

Stipulation; DTaP; IPV; Prevnar;
HIB; neurologic injuries; seizure
disorder.

UNPUBLISHED DECISION¹

Scott W. Rooney, Nemes Rooney and McKindles, Farmington Hills, MI, for Petitioner;
Michael P. Milmo, U.S. Department of Justice, Washington, D.C., for Respondent.

On July 13, 2011, the parties filed a joint stipulation concerning the petition for
compensation filed by Kristy Lefever, on behalf of her daughter Emma Lefever (“Emma”), on
December 23, 2008. The parties filed an amended stipulation on April 13, 2012, which reflected
the addition of Sean Lefever as a party to this case. In this case, the petitioners alleged that the
DTaP, IPV, Prevnar, and HIB immunizations, which are contained in the Vaccine Injury Table
(the “Table”), 42 C.F.R. §100.3(a), and which Emma received on January 5, 2006, caused Emma
to suffer from neurologic injuries, including a seizure disorder, the effects of which lasted for
more than six months.

¹ Because this unpublished decision contains a reasoned explanation for the special
master's action in this case, the special master intends to post it on the United States Court of
Federal Claims's website, in accordance with the E-Government Act of 2002, Pub. L. No. 107-
347, 116 Stat. 2899, 2913 (Dec. 17, 2002).

All decisions of the special masters will be made available to the public unless they
contain trade secrets or commercial or financial information that is privileged and confidential,
or medical or similar information whose disclosure would clearly be an unwarranted invasion of
privacy. When such a decision or designated substantive order is filed, the person submitting the
information has 14 days to identify and to move to delete such information before the
document’s disclosure. If the special master agrees that the identified material fits within the
categories listed above, the special master shall redact such material from public access.
42 U.S.C. § 300aa-12(d)(4)(B); Vaccine Rule 18(b).

Respondent denies that the DTaP, IPV, Prevnar and HIB vaccines, either individually or in concert, caused Emma to suffer any neurologic injury, or seizure disorder, and further denies that her current disabilities are a sequelae of a vaccine-related injury.

Nevertheless, the parties agree to the joint stipulation, attached hereto as Appendix A. The undersigned finds said stipulation reasonable and adopts it as the decision of the Court in awarding damages, on the terms set forth therein.

Damages awarded in that stipulation include:

- A. A lump sum payment of \$20,000.00 in the form of a check payable to petitioners, representing compensation for all damages that would be available under 42 U.S.C. §300aa-15(a); and**
- B. A lump sum payment of \$8,000.00 in the form of a check payable to petitioners and petitioners' attorney, Scott W. Rooney, Esq., for attorneys' fees and costs available under 42 U.S.C. § 300aa-15(e), and, in compliance with General Order #9, no out-of-pocket expenses were incurred by petitioners in proceeding on the petition.**

In the absence of a motion for review filed pursuant to RCFC, Appendix B, the clerk is directed to enter judgment in case 8-916V according to this decision and the attached stipulation.

Any questions may be directed to my law clerk, Jennifer C. Chapman, at (202) 357-6358.

IT IS SO ORDERED.

S/ Christian J. Moran

Christian J. Moran
Special Master

6. Respondent denies that the DTaP, IPV, Prevnar and HIB vaccine, either individually or in concert, caused Emma to suffer any neurologic injury, or seizure disorder, and further denies that her current disabilities are a sequelae of a vaccine-related injury.

7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioners have filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payments:

- a. A lump sum of \$20,000.00 in the form of a check payable to petitioners, representing compensation for all damages that would be available under 42 U.S.C. §300aa-15(a); and
- b. A lump sum of \$8,000.00 in the form of a check payable to petitioners and petitioners' attorney, Scott W. Rooney, Esq., for attorneys' fees and costs available under 42 U.S.C. § 300aa-15(e), and, in compliance with General Order #9, no out-of-pocket expenses were incurred by petitioners in proceeding on the petition.

9. Petitioners and their attorney represent that compensation to be provided pursuant to this Stipulation is not for any items or services for which the Program is not primarily liable under 42 U.S.C. § 300aa-15(g), to the extent that payment has been made or can reasonably be expected to be made under any State compensation programs, insurance policies, Federal or State health benefits programs (other than Title XIX of the Social Security Act (42 U.S.C. § 1396 et seq.)), or entities that provide health services on a pre-paid basis.

10. Payments made pursuant to paragraph 8 of this Stipulation will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

11. The parties and their attorneys further agree and stipulate that, except for any award for attorneys' fees and litigation costs and past unreimbursable expenses, the money provided pursuant to this Stipulation will be used solely for the benefit of Emma as contemplated by a strict construction of 42 U.S.C. §300aa-15(a) and (d), and subject to the conditions of 42 U.S.C. § 300aa-15(g) and (h).

12. In return for the payments described in paragraph 8, petitioners, in their individual capacities and as legal representatives of Emma, on behalf of themselves, Emma, her heirs, executors, administrators, successors or assigns, do forever irrevocably and unconditionally release, acquit and discharge the United States and the Secretary of Health and Human Services from any and all actions or causes of action (including agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature), that have been brought, could have been brought, or could be timely brought in the Court of Federal Claims, under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 et seq., on account of, or in any way growing out of, any and all known or unknown, suspected or unsuspected personal injuries to or death of Emma resulting from, or alleged to have resulted from, any of the vaccinations administered on or about January 5, 2006, as alleged by petitioners in a petition for vaccine compensation filed on or about December 23, 2008, in the United States Court of Federal Claims as petition No. 08-916V.

13. If Emma should die prior to entry of judgment, this agreement shall be voidable upon proper notice to the Court on behalf of either or both of the parties.

14. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation or if the Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be voidable at the sole discretion of either party.

15. This Stipulation expresses a full and complete negotiated settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended. There is absolutely no agreement on the part of the parties hereto to make any payment or to do any act or thing other than is herein expressly stated and clearly agreed to. The parties further agree and understand that the award described in this Stipulation may reflect a compromise of the parties' respective positions as to liability and/or amount of damages, and further, that a change in the nature of the injury or condition or in the items of compensation sought, is not grounds to modify or revise this agreement.

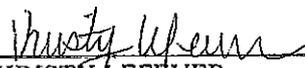

16. This Stipulation shall not be construed as an admission by the United States or the Secretary of Health and Human Services that any of the vaccines Emma received caused her to suffer a neurologic disorder including a seizure disorder, or caused any of her current disabilities, or that Emma experienced the residual effects of an injury for more than six months.

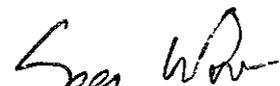

17. All rights and obligations of petitioners hereunder shall apply equally to petitioners' heirs, executors, administrators, successors, and/or assigns.

END OF STIPULATION

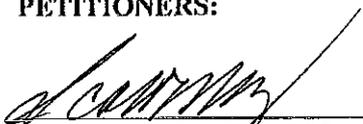

Respectfully submitted,

PETITIONERS:
