No. 10-523V
Special Master Christian J. Moran

Filed: July 19, 2011

Stipulation; influenza vaccine;
Guillain-Barré Syndrome.

UNPUBLISHED DECISION¹

Diana L. Stadelnikas, Maglio Christopher & Toale, Sarasota, FL, for Petitioner;
Lisa A. Watts, U.S. Department of Justice, Washington, D.C., for Respondent.

On July 18, 2011, the parties filed a joint stipulation concerning the petition for compensation filed by Eleanoure Smith on August 5, 2010. In her petition, the petitioner alleged that the influenza (“flu”) vaccine, which is contained in the Vaccine Injury Table (the “Table”), 42 C.F.R. §100.3(a), and which petitioner received on October 20, 2009, caused petitioner to suffer from Guillain-Barré Syndrome (“GBS”), the effects of which lasted for more than six months.

Respondent denies that petitioner’s claimed injuries were caused by the flu vaccine, and denies that petitioner’s current disabilities are sequelae of her alleged injury.

¹ Because this unpublished decision contains a reasoned explanation for the special master's action in this case, the special master intends to post it on the United States Court of Federal Claims's website, in accordance with the E-Government Act of 2002, Pub. L. No. 107-347, 116 Stat. 2899, 2913 (Dec. 17, 2002).

All decisions of the special masters will be made available to the public unless they contain trade secrets or commercial or financial information that is privileged and confidential, or medical or similar information whose disclosure would clearly be an unwarranted invasion of privacy. When such a decision or designated substantive order is filed, the person submitting the information has 14 days to identify and to move to delete such information before the document’s disclosure. If the special master agrees that the identified material fits within the categories listed above, the special master shall redact such material from public access. 42 U.S.C. § 300aa-12(d)(4)(B); Vaccine Rule 18(b).

Nevertheless, the parties agree to the joint stipulation, attached hereto as Appendix A. The undersigned finds said stipulation reasonable and adopts it as the decision of the Court in awarding damages, on the terms set forth therein.

Damages awarded in that stipulation include:

- A. A lump sum payment of \$48,932.00 in the form of a check payable to petitioner. This amount represents compensation for all damages that would be available under 42 U.S.C. §300aa-15(a); and**

- B. A lump sum payment of \$1,068.00, representing compensation for the reimbursement of the State of Florida Medicaid lien, payable jointly to petitioner and the Agency for Health Care Administration, Attn: Braxton Wilson, ACS Recovery Services, P.O. Box 12188, Tallahassee, FL 32317-2188; and**

- C. A lump sum payment of \$15,184.94 in the form of a check payable to petitioner and petitioner's attorney, Diana L. Stadelnikas, for attorneys' fees and costs available under 42 U.S.C. § 300aa-15(e), and, in compliance with General Order #9, no out-of-pocket expenses were incurred by petitioner in proceeding on the petition.**

In the absence of a motion for review filed pursuant to RCFC, Appendix B, the clerk is directed to enter judgment in case 10-523V according to this decision and the attached stipulation.

Any questions may be directed to my law clerk, Jennifer C. Chapman, at (202) 357-6358.
IT IS SO ORDERED.

STIPULATION

The parties hereby stipulate to the following matters:

1. Eleanoure Smith (“petitioner”) filed a petition for vaccine compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 to 34, as amended (the “Vaccine Program”). The petition seeks compensation for injuries allegedly related to her receipt of an influenza (“flu”) vaccine, which vaccine is contained in the Vaccine Injury Table (the “Table”), 42 C.F.R. § 100.3(a).
2. Petitioner received the flu vaccine on October 20, 2009.
3. The vaccine was administered within the United States.
4. Petitioner alleges that she suffered Guillain-Barré Syndrome (“GBS”) which was caused-in-fact by receipt of the flu vaccine. Petitioner further alleges that she suffered residual effects of this injury for more than six months.
5. Petitioner represents that there has been no prior award or settlement of a civil action for damages as a result of her condition.
6. Respondent denies that petitioner’s claimed injuries were caused by the flu vaccine,

and denies that petitioner's current disabilities are sequelae of her alleged injury.

7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payments:

- a. A lump sum of \$48,932.00 in the form of a check payable to petitioner. This amount represents compensation for all damages that would be available under 42 U.S.C. §300aa-15(a); and
- b. A lump sum payment of \$1,068.00, representing compensation for the reimbursement of the State of Florida Medicaid lien, payable jointly to petitioner and the Agency for Health Care Administration, Attn: Braxton Wilson, ACS Recovery Services, P.O. Box 12188, Tallahassee, FL 32317-2188; and
- c. A lump sum of \$15,184.94 in the form of a check payable to petitioner and petitioner's attorney, Diana L. Stadelnikas, for attorneys' fees and costs available under 42 U.S.C. § 300aa-15(e), and, in compliance with General Order #9, no out-of-pocket expenses were incurred by petitioners in proceeding on the petition.

9. Petitioner and her attorney represent that compensation to be provided pursuant to this Stipulation is not for any items or services for which the Program is not primarily liable under 42 U.S.C. § 300aa-15(g), to the extent that payment has been made or can reasonably be expected to be made under any State compensation programs, insurance policies, Federal or State health benefits programs (other than Title XIX of the Social Security Act (42 U.S.C. § 1396 et seq.)), or by entities that provide health services on a pre-paid basis.

10. Payments made pursuant to paragraph 8 of this Stipulation will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

11. The parties and their attorneys further agree and stipulate that, except for any award for attorneys' fees and litigation costs, the money provided pursuant to this Stipulation will be used solely for the benefit of petitioner as contemplated by a strict construction of 42 U.S.C. § 300aa-15(a) and (d), and subject to the conditions of 42 U.S.C. § 300aa-15(g) and (h).

12. In return for the payments described in paragraph 8, petitioner, in her individual capacity and on behalf of her heirs, executors, administrators, successors or assigns, does forever irrevocably and unconditionally release, acquit and discharge the United States and the Secretary of Health and Human Services from any and all actions or causes of action (including agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature) that have been brought, could have been brought, or could be timely brought in the Court of Federal Claims, under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 et seq., on account of, or in any way growing out of, any and all known or unknown, suspected or unsuspected personal injuries to or death of petitioner resulting from, or alleged to have resulted from the flu vaccine administered to her on October 20, 2009, as alleged in a petition for vaccine compensation filed on or about August 5, 2010, in the United States Court of Federal Claims as petition No. 10-523V.

13. If petitioner should die prior to entry of judgment, this agreement shall be voidable upon proper notice to the Court on behalf of either or both of the parties.

14. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation or if the Court of Federal Claims fails to enter judgment in conformity with a

decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be voidable at the sole discretion of either party.

15. This Stipulation expresses a full and complete negotiated settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended. There is absolutely no agreement on the part of the parties hereto to make any payment or to do any act or thing other than is herein expressly stated and clearly agreed to. The parties further agree and understand that the award described in this Stipulation may reflect a compromise of the parties' respective positions as to liability and/or amount of damages, and further, that a change in the nature of the injury or condition or in the items of compensation sought, is not grounds to modify or revise this agreement.

16. This Stipulation shall not be construed as an admission by the United States or the Secretary of Health and Human Services that the flu vaccine administered to petitioner on October 20, 2009, caused her injuries (to include GBS), or that her current disabilities are sequelae of her alleged vaccine injuries.

17. All rights and obligations of petitioner hereunder shall apply equally to petitioner's heirs, executors, administrators, successors, and/or assigns.
