## DECISION

Petitioner and respondent filed a Stipulation of Fact Concerning Attorney's Fees and Costs on August 27, 2008. (Petitioner also filed a motion to redact this decision. The motion is granted.) Petitioner and respondent agreed that petitioner's costs are \$3,095.53 (consonant with petitioner's own statement per General Order #9; see Ex. 22) and that petitioner's attorney will receive \$58,037.32 for attorney's fees and attorney's share of costs, coming to a total of \$61,132.85. The court finds the amounts in the stipulation to be reasonable.

The clerk shall enter judgment for petitioner and direct that the award be in the form of one check made payable to petitioner for **\$3,095.53**, and one check made jointly payable to

petitioner and Mr. Andrew W. Dodd, Esq., for **\$58,037.32**. In the absence of a motion for review filed pursuant to RCFC Appendix B, the clerk of the court is directed to enter judgment herewith.<sup>1</sup>
