UNPUBLISHED DECISION<sup>1</sup>

Ronald C. Homer, Esq., Conway, Homer & Chin-Caplan, P.C. for Petitioner;  
Katherine C. Esposito, Esq., U.S. Department of Justice, Washington, D.C., for Respondent.

On February 1, 2010, the parties filed a joint stipulation concerning the petition for compensation filed by Shirley Laundrie on February 25, 2008. In her petition, Ms. Laundrie alleged that the trivalent influenza (“flu”) vaccine, which is contained in the Vaccine Injury Table, 42 C.F.R. §100.3 (a), and which she received on November 16, 2006, caused her to sustain “neurological injuries.”

Respondent denies that Ms. Laundrie’s condition was caused by her flu immunization. Nevertheless, the parties agree to the joint stipulation, attached hereto as Appendix A. The undersigned finds said stipulation reasonable and adopts it as the decision of the Court in awarding damages, on the terms set forth therein.

Damages awarded in that stipulation include:

**A lump sum payment of \$50,000.00, in the form of a check payable to petitioner.**

In the absence of a motion for review filed pursuant to RCFC, Appendix B, the clerk is directed to enter judgment in case 08-107V according to this decision and the attached stipulation.

IT IS SO ORDERED.

**STIPULATION**

The parties hereby stipulate to the following matters:

1. Petitioner, Shirley Laundrie (“Shirley”), filed a petition for vaccine injury compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 to 34 (the “Vaccine Program”). The petition seeks compensation for injuries allegedly related to Shirley’s receipt of the trivalent influenza (“flu”) vaccine, which is contained in the Vaccine Injury Table (the “Table”), 42 C.F.R. § 100.3 (a).
2. Shirley received the immunization at issue on November 16, 2006.
3. The vaccine was administered within the United States.
4. Shirley alleges that she suffered “neurological injuries,” caused in fact by her receipt of the influenza vaccination.
5. Petitioner represents there has been no prior award or settlement of a civil action for damages as a result of her condition.
6. Respondent denies that Shirley’s condition was caused by her flu immunization.

7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following payment:

A lump sum of \$50,000.00 in the form of a check payable to petitioner. This amount represents compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a).

9. As soon as practicable after the entry of judgment on entitlement in this case, and after petitioner has filed both a proper and timely election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), and an application, the parties will submit to further proceedings before the special master to award reasonable attorneys' fees and costs incurred in proceeding upon this petition.

10. Payment made pursuant to paragraph 8 and any amounts awarded pursuant to paragraph 9 of this Stipulation will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

11. The parties and their attorneys further agree and stipulate that, except for any award for attorneys' fees and litigation costs, the money provided pursuant to this Stipulation will be used solely for the benefit of Shirley as contemplated by a strict construction of 42 U.S.C. § 300aa-15(a) and (d), and subject to the conditions of 42 U.S.C. § 300aa-15(g) and (h).

12. In return for the payment described in paragraphs 8 and 9, petitioner, on her own

behalf and on behalf of her heirs, executors, administrators, successors or assigns, does forever and fully expressly release, acquit, and discharge the Secretary of Health and Human Services and the United States of America from any and all actions, causes of action, agreements, judgments, claims, damages, loss of services, expenses, and all demands of whatever kind or nature on account of, or in any way growing out of, any and all known or unknown personal injuries to or death of Shirley resulting from, or alleged to have resulted from, the flu immunization administered on November 16, 2006, as alleged by petitioner in a petition for vaccine compensation filed on or about February 25, 2008, in the United States Court of Federal Claims as petition No. 08-107V.

13. If Shirley should die prior to receiving the payment described in paragraph 8, this agreement shall be considered voidable upon proper notice to the Court on behalf of either or both of the parties.

14. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation, or if the Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation will be null and void at the sole discretion of either party.

15. This Stipulation expresses a full and complete settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended, except as otherwise noted in paragraph 9 above. There is absolutely no agreement on the part of the parties hereto to make any payment or to do any act or thing other than is herein expressly stated and clearly agreed to.

16. All rights and obligations of petitioner hereunder shall apply equally to petitioner's
