**UNPUBLISHED DECISION<sup>1</sup>**

On July 12, 2013, the parties in the above-captioned case filed a Stipulation memorializing their agreement as to the appropriate amount of compensation in this case. Petitioner alleges that he suffered from a chronic inflammatory demyelinating polyneuropathy ("CIDP") as a consequence of his receipt of the influenza ("flu") vaccine, which is a vaccine contained in the Vaccine Injury Table, 42 C.F.R § 100.3(a), and which he received on or about November 9, 2007. Petitioner alleges that he experienced the residual effects of this injury for more than six months. Petitioner also represents that there have been no prior awards or

<sup>1</sup> Because this decision contains a reasoned explanation for the special master's action in this case, the special master intends to post it on the website of the United States Court of Federal Claims, in accordance with the E-Government Act of 2002, § 205, 44 U.S.C. § 3501 (2006). The decisions of the special master will be made available to the public with the exception of those portions that contain trade secret or commercial or financial information that is privileged and confidential, or medical or similar information whose disclosure would clearly be an unwarranted invasion of privacy. As provided by Vaccine Rule 18(b), each party has 14 days to file a motion requesting the redaction from this decision of any such alleged material. In the absence of a timely request, which includes a proposed redacted decision, the entire document will be made publicly available. If the special master, upon review of a timely filed motion to redact, agrees that the identified material fits within the categories listed above, the special master shall redact such material from the decision made available to the public. 42 U.S.C. § 300aa-12(d)(4); Vaccine Rule 18(b).

settlement of a civil action for these damages. Petitioner seeks compensation related to his injuries pursuant to the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10 to 34.

Respondent denies that the flu vaccine caused Petitioner's CIDP or any other injury and denies that Petitioner's current disabilities are sequelae of his alleged vaccine-related injury. Nonetheless, the parties have agreed informally to resolve this matter. Stipulation, Appendix A hereto.

The undersigned hereby ADOPTS the parties' said Stipulation, attached hereto as Appendix A, and awards compensation in the amount and on the terms set forth therein. Specifically, Petitioner is awarded:

**a lump sum of \$75,000.00, in the form of a check payable to petitioner.** This amount represents compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a).

The Court thanks the parties for their cooperative efforts in resolving this matter. In the absence of a motion for review filed pursuant to RCFC, Appendix B, the Clerk is directed to enter judgment accordingly.<sup>2</sup>

<sup>2</sup> This document constitutes a final "decision" in this case pursuant to 42 U.S.C. § 300aa-12(d)(3)(A). Unless a motion for review of this decision is filed within 30 days, the Clerk of the Court shall enter judgment in accordance with this decision. Pursuant to Vaccine Rule 11(a), the parties can expedite entry of judgment by each party filing a notice renouncing the right to seek review by a United States Court of Federal Claims judge.

LUIS F. LAMBOY,  
  
Petitioner,  
  
v.  
  
SECRETARY OF HEALTH  
AND HUMAN SERVICES  
  
Respondent.

The parties hereby stipulate to the following matters:

2. Petitioner received the flu vaccination on November 9, 2007.

4. Petitioner alleges that he suffered chronic inflammatory demyelinating

5. Petitioner represents that there has been no prior award or settlement of a civil action for damages on his behalf as a result of his condition.

<sup>1</sup> Although petitioner alleged that he suffered Guillain-Barre Syndrome ("GBS") in the petition, consistent with the opinion of his expert, he identified his alleged injury as CIDP in his January 17, 2012, Pre-Hearing Memorandum.

6. Respondent denies that petitioner suffered CIDP or any other injury as the result of his November 9, 2007, flu vaccination. Respondent further denies that the flu vaccine caused petitioner's current disabilities.

7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payment:

A lump sum of \$75,000.00, which amount represents compensation for all damages that would be available under 42 U.S.C. §300aa-15(a), in the form of a check payable to petitioner.

9. As soon as practicable after an entry of judgment on entitlement in this case, and after petitioner has filed both a timely election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), and an application, the parties will submit to further proceedings before the special master to award reasonable attorneys' fees and costs incurred in proceeding upon this petition.

10. Petitioner and his attorney represent that they have identified to respondent all known sources of payment for items or services for which the Program is not primarily liable under 42 U.S.C. § 300aa-15(g), including State compensation programs, insurance policies, Federal or State health benefits programs (other than Title XIX of the Social Security Act (42 U.S.C. § 1396 et seq.)), or entities that provide health services on a pre-paid basis.

11. Payments made pursuant to paragraph 8 and any amounts awarded pursuant to paragraph 9 of this Stipulation will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

12. The parties and their attorneys further agree and stipulate that, except for any award for attorneys' fees and litigation costs, and past unreimbursable expenses, the money provided pursuant to this Stipulation either immediately or as part of the annuity contract, will be used solely for petitioner's benefit as contemplated by a strict construction of 42 U.S.C. § 300aa-15(a) and (d), and subject to the conditions of 42 U.S.C. § 300aa-15(g) and (h).

13. In return for the payments described in paragraphs 8 and 9, petitioner, in his individual capacity, on behalf of his heirs, executors, administrators, successors or assigns, does forever irrevocably and unconditionally release, acquit and discharge the United States and the Secretary of Health and Human Services from any and all actions or causes of action (including agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature) that have been brought, could have been brought, or could be timely brought in the Court of Federal Claims, under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 et seq., on account of, or in any way growing out of, any and all known or unknown, suspected or unsuspected personal injuries to or death of petitioner resulting from, or alleged to have resulted from, the flu vaccination administered on November 9, 2007, as alleged by petitioner in a petition for vaccine compensation filed on May 22, 2009, in the United States Court of Federal Claims as petition No. 09-328V.

14. If petitioner should die prior to entry of judgment, this agreement shall be voidable upon proper notice to the Court on behalf of either or both of the parties.

15. If the special master fails to issue a decision in complete conformity with the terms

of this Stipulation or if the Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be voidable at the sole discretion of either party.

16. This Stipulation expresses a full and complete negotiated settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended, except as otherwise noted in paragraph 9 above. There is absolutely no agreement on the part of the parties hereto to make any payment or to do any act or thing other than is herein expressly stated and clearly agreed to. The parties further agree and understand that the award described in this Stipulation may reflect a compromise of the parties' respective positions as to liability and/or amount of damages, and further, that a change in the nature of the injury or condition or in the items of compensation sought, is not grounds to modify or revise this agreement.

17. This Stipulation shall not be construed as an admission by the United States or the Secretary of Health and Human Services that petitioner suffered CIDP or any other injury as the result of his flu vaccination.

18. All rights and obligations of petitioner hereunder shall apply equally to petitioner's heirs, executors, administrators, successors, and/or assigns.
