UNPUBLISHED DECISION¹

On October 26, 2012, the parties in the above-captioned case filed a Stipulation memorializing their agreement as to the appropriate amount of compensation in this case. Petitioner alleged that he suffered from Guillain-Barré Syndrome ("GBS"), as a consequence of his receipt of the influenza ("flu") vaccine, which vaccine is contained in the Vaccine Injury Table, 42 C.F.R § 100.3(a), and which he received on or about September 3, 2010. Petitioner alleges that he experienced the residual effects of this injury for more than six months. Petitioner also represents that there have been no prior awards or settlement of a civil action for these damages. Petitioner seeks compensation related to his injuries pursuant to the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10 to 34.

¹ The special master intends to post this decision on the website of the United States Court of Federal Claims in accordance with the E-Government Act of 2002, Pub. L. No. 107-347, 116 Stat. 2899, 2913 (Dec. 17, 2002). All decisions of the special masters will be made available to the public unless they contain trade secrets or commercial or financial information that is privileged and confidential, or medical or similar information whose disclosure would clearly be an unwarranted invasion of privacy. As provided by Vaccine Rule 18(b), each party has 14 days to file a motion requesting the redaction from this decision of any such alleged material. In the absence of a timely request, which includes a proposed redacted decision, the entire document will be made publicly available.

Respondent denies that the flu vaccine caused Petitioner's GBS or any other injury and denies that Petitioner's current disabilities are sequelae of his alleged vaccine-related injury. Nonetheless, the parties have agreed informally to resolve this matter. Stipulation, Appendix A hereto. The undersigned hereby ADOPTS the parties' said Stipulation, attached hereto as Appendix A, and awards compensation in the amount and on the terms set forth therein.

Because Petitioner is being awarded compensation pursuant to this decision, Petitioner is entitled to an award of reasonable attorneys' fees and costs. 42 U.S.C. § 300aa-15(e). In their stipulation, the parties have agreed that an award of \$13,656.00, in attorneys' fees and costs would be reasonable. Petitioner has represented that he personally has not incurred any litigation costs. The undersigned finds that the amount requested is reasonable. In accordance with 42 U.S.C. §§ 300aa-15(b) and (e)(1), the undersigned awards the amount of attorneys' fees and costs to which Respondent has agreed.

Specifically, Petitioner is awarded:

(a) a lump sum of \$135,000.00, in the form of a check payable to Petitioner.

This amount represents compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a); and

(b) a lump sum of \$13,656.00, in the form of a check made jointly payable to Petitioner and his counsel, Stephen I. Leshner, Esquire, awarded pursuant to 42 U.S.C. §§ 300aa-15(b) and (e)(1).

The court thanks the parties for their cooperative efforts in resolving this matter. In the absence of a motion for review filed pursuant to RCFC, Appendix B, the Clerk is directed to enter judgment accordingly.²

IT IS SO ORDERED.

² This document constitutes a final "decision" in this case pursuant to 42 U.S.C. § 300aa-12(d)(3)(A). Unless a motion for review of this decision is filed within 30 days, the Clerk of the Court shall enter judgment in accordance with this decision. Pursuant to Vaccine Rule 11(a), the parties can expedite entry of judgment by each party filing a notice renouncing the right to seek review by a United States Court of Federal Claims judge.

STIPULATION

The parties hereby stipulate to the following matters:

1. Petitioner Frank Mastin ("petitioner") filed a petition for vaccine compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 to 34 (the "Vaccine Program"). The petition seeks compensation for injuries allegedly related to petitioner's receipt of the trivalent influenza ("flu") vaccine, which vaccine is contained in the Vaccine Injury Table (the "Table"), 42 C.F.R. § 100.3(a).
2. Petitioner received a flu vaccine on or about September 3, 2010.
3. The vaccine was administered within the United States.
4. Petitioner alleges that the flu vaccine caused him to develop Guillain-Barré Syndrome ("GBS") and that he experienced residual effects of this injury for more than six months.
5. Petitioner represents that there has been no prior award or settlement of a civil action for damages as a result of his condition.
6. Respondent denies that flu immunization is the cause of petitioner's alleged GBS and/or any other injury.

7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payments:

a. A lump sum of \$135,000.00 in the form of a check payable to petitioner. This amount represents compensation for all damages that would be available under 42 U.S.C. §300aa-15(a); and

b. A lump sum of \$13,656.00 in the form of a check payable jointly to petitioner and petitioner's attorney, Stephen I. Leshner, Esq., for attorneys' fees and costs available under 42 U.S.C. § 300aa-15(e). In compliance with General Order #9, petitioner confirms that he incurred no out-of-pocket litigation expenses in proceeding on the petition.

9. Petitioner and his attorney represent that they have identified to respondent all known sources of payment for items or services for which the Program is not primarily liable under 42 U.S.C. § 300aa-15(g), including State compensation programs, insurance policies, Federal or State health benefits programs (other than Title XIX of the Social Security Act (42 U.S.C. § 1396 et seq.)), or entities that provide health services on a pre-paid basis.

10. Payments made pursuant to paragraph 8 of this Stipulation will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

11. The parties and their attorneys further agree and stipulate that, except for any award for attorneys' fees and litigation costs, and past unreimbursable expenses, the money provided pursuant to this Stipulation will be used solely for the benefit of petitioner as contemplated by a

strict construction of 42 U.S.C. §300aa-15(a) and (d), and subject to the conditions of 42 U.S.C. § 300aa-15(g) and (h).

12. In return for the payments described in paragraph 8, petitioner, in his individual capacity and on behalf of his heirs, executors, administrators, successors and/or assigns, does forever irrevocably and unconditionally release, acquit and discharge the United States and the Secretary of Health and Human Services from any and all actions or causes of action (including agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature) that have been brought, could have been brought, or could be timely brought in the Court of Federal Claims, under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 et seq., on account of, or in any way growing out of, any and all known or unknown, suspected or unsuspected personal injuries to or death of petitioner resulting from, or alleged to have resulted from, the flu vaccination administered on or about September 3, 2010, as alleged by petitioner in a petition for vaccine compensation filed on or about March 14, 2012, in the United States Court of Federal Claims as petition No. 12-171V.

13. If petitioner should die prior to entry of judgment, this agreement shall be voidable upon proper notice to the Court on behalf of either or both of the parties.

14. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation or if the Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be voidable at the sole discretion of either party.

15. This Stipulation expresses a full and complete negotiated settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended. There is absolutely no agreement on the part of the parties hereto to make any payment or to do any act

Respectfully submitted,

PETITIONER:

FRANK MASTIN
