

In the United States Court of Federal Claims

NOTICE OF ADOPTION OF AMENDMENTS TO RULES

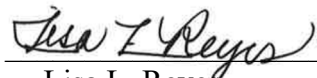

On May 19, 2025, the court posted notice on its website advising of proposed amendments to its rules and inviting public comment on the proposed amendments by July 3, 2025. In response to this invitation, two sets of comments were submitted—one by the Board of Governors of the United States Court of Federal Claims Bar Association and the other by the Tax Section of the American Bar Association.

The first set of comments offers support for the proposed amendments and includes a suggestion that in the future, if the number of appearances concurrently entered in a case becomes unwieldy, the court may wish to consider setting a limit on the number of appearances entered in a case pursuant to amended Rule 83.1(b)(2).

The second set of comments requests that the court consider further amending Rule 9(m) to either abandon the practice of requiring that a copy of the claim for refund be attached to a complaint or, in the alternative, expand the categories of information that may be redacted from any required attachments to a complaint. The court intends to consider this proposal during the 2025–26 rules-amendment cycle.

The court appreciates the comments that were submitted and thanks the commenters for the time and effort that was expended in reviewing and commenting on the proposed amendments.

The court hereby adopts the amendments as proposed on its website on May 19, 2025. The rules amended by this notice are available on the court's website at <https://www.uscfc.uscourts.gov/rules-forms>.
