[Along with the pages displayed above, the Petitioners' Steering Committee also filed a document containing the *curriculum vitae* ("CV's") of the Committee's experts. This document has been filed into the Autism Master File, but is not on the website for the Omnibus Autism Proceeding, due to concerns about personal information contained in the CV's. The Committee subsequently filed, on June 26, 2006, a version of the CV's, which has been placed onto the court's website.]
