Re: In Re: Claims for Vaccine Injuries Resulting in Autism Spectrum Disorder, or a Similar Neurodevelopmental Disorder v. Secretary of Health And Human Services  
Autism Master File  
Our File No. 054500 - Omnibus Autism Proceeding

Dear Clerk of Court:

Enclosed for filing in the case file captioned above are the original and two copies of Petitioner's Master Reference List Update #671 - #700 and 3 CD/ROMs containing an index of medical articles relied upon by petitioners in the Autism Omnibus Proceeding. The CD/ROM also contains the full text of the indexed articles by expert and allows the user to directly link from an index entry to the full text articles.

Very truly yours,

A handwritten signature in black ink, appearing to read "T. B. Powers".

**(On August 7, 2008, the Petitioners' Steering Committee filed a compact disc containing the updated "PSC Master Reference List" of scientific articles. This disc has been placed into the record of the Omnibus Autism Proceeding, but its contents, except for the list of titles that follows this page, are not being placed on the website at this time. This is due to the fact that most of the scientific articles published in professional journals are copyrighted material.)**
