DECISION¹

On May 28, 2008, James Noonan-Sloan (“petitioner”), filed a petition for compensation alleging that he suffered certain injuries as a result of receiving a vaccination. Among the injuries petitioner alleged that he has suffered as a result of receiving a trivalent influenza vaccination was Guillain-Barré syndrome. He sought an award under the National Vaccine Injury Compensation Program, National Vaccine Injury Compensation Program² (the Act or the Program). 42 U.S.C. §§ 300aa-1 to -34

² The National Vaccine Injury Compensation Program is set forth in Part 2 of the

On April 22, 2011, counsel for both parties filed a stipulation, stating that a decision should be entered awarding compensation. The parties stipulated that petitioner shall receive the following compensation:

A lump sum of \$ 125,000.00 in the form of a check payable to petitioner. This amount represents compensation for all damages that would be available under 42 U.S.C. §300aa-15(a) to which petitioner would be entitled

Stipulation ¶ 8(a).

The undersigned approves the requested amount for petitioner's compensation. Accordingly, an award should be made in the form of a check payable to petitioner in the amount of \$125,000.00. In the absence of a motion for review filed pursuant to RCFC Appendix B, the clerk of the court **SHALL ENTER JUDGMENT** in accordance with the terms of the parties' stipulation.³
