DECISION¹

On October 23, 2008, the parties to the above captioned case filed a Stipulation memorializing their agreement as to the appropriate amount of compensation in this case. Petitioner alleged that her September 3, 2002 Tetanus-Diphtheria (“Td”) vaccination caused her to suffer from bilateral adhesive capsulitis, otherwise known as “frozen shoulder.” Respondent denies that the Td vaccine caused petitioner’s bilateral adhesive capsulitis. Nonetheless, the parties have agreed informally to resolve this matter.

The court hereby **adopts** the parties’ said Stipulation, attached hereto, and awards compensation in the amount and on the terms set forth therein. Specifically, petitioner is

¹The undersigned intends to post this decision on the United States Court of Federal Claims’s website, in accordance with the E-Government Act of 2002, Pub. L. No. 107-347, 116 Stat. 2899, 2913 (Dec. 17, 2002). As provided by Vaccine Rule 18(b), each party has 14 days within which to request redaction “of any information furnished by that party (1) that is trade secret or commercial or financial information and is privileged or confidential, or (2) that are medical files and similar files the disclosure of which would constitute a clearly unwarranted invasion of privacy.” Vaccine Rule 18(b). Otherwise, “the entire” decision will be available to the public. Id.

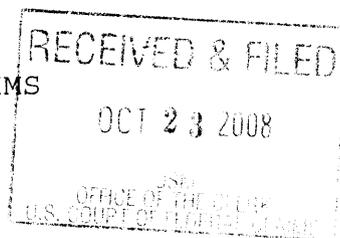

awarded a lump sum of \$250,000.00 in the form of a check payable to petitioner. The Clerk of the Court is directed to enter judgment accordingly.²

IT IS SO ORDERED.

STIPULATION

The parties hereby stipulate to the following matters:

1. Rhonda Richards, petitioner, filed a petition for vaccine compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 to 34 (the "Vaccine Program"). The petition seeks compensation for injuries allegedly related to her receipt of a tetanus-diphtheria ("Td") vaccine, which vaccine is contained in the Vaccine Injury Table (the "Table"), 42 C.F.R. § 100.3 (a)(I).
2. Petitioner received her Td immunization on September 3, 2002.
3. The vaccine was administered within the United States.
4. Petitioner alleges that she sustained bilateral adhesive capsulitis ("frozen shoulder") as a result of receiving the above vaccination.

5. Petitioner represents that there has been no prior award or settlement of a civil action for damages on her behalf as a result of her alleged vaccine-related injury.

6. Respondent denies that petitioner has established by a preponderance of evidence that her injuries were in fact caused by the vaccine administered to her on September 3, 2002.

7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue a lump sum of \$250,000.00 in the form of a check payable to petitioner. This amount represents compensation for all damages that would be available under 42 U.S.C. §300aa-15(a).

9. As soon as practicable after the entry of judgment on entitlement in this case, and after petitioner has filed both a proper and timely election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), and an application, the special master shall preside over further proceedings to award reasonable

attorneys' fees and costs incurred in proceeding upon this petition.

10. Payments made pursuant to paragraph 8 of this Stipulation will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

11. The parties and their attorneys further agree and stipulate that the money provided pursuant to this Stipulation will be used solely for the benefit of petitioner, Rhonda Richards, as contemplated by a strict construction of 42 U.S.C. § 300aa-15(a) and (d), and subject to the conditions of 42 U.S.C. § 300aa-15(g) and (h).

12. In return for the payments described in paragraph 8, petitioner, in her individual capacity, on behalf of herself, and her heirs, executors, administrators, successors or assigns, does forever and fully expressly release, acquit and discharge the Secretary of Health and Human Services and the United States of America from any and all actions, causes of action, agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature on account of, or in any way growing out of, any and all known or unknown personal injuries to or death of petitioner resulting from, or alleged to have resulted from, the tetanus-diphtheria vaccination administered to her on September 3, 2002, as alleged by petitioner in a petition for vaccine compensation filed on or about August 16, 2005, in

the United States Court of Federal Claims as petition No. 05-903V.

13. If petitioner should die prior to receiving the payment described in paragraph 8, this agreement shall be considered voidable upon proper notice to the Court on behalf of either or both of the parties.

14. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation or if the Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be null and void at the sole discretion of either party.

15. This Stipulation expresses a full and complete settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended. There is absolutely no agreement on the part of the parties hereto to make any payment or to do any act or thing other than is herein expressly stated and clearly agreed to.

16. All rights and obligations of petitioner hereunder shall apply equally to petitioner's successors and/or assigns.
