### **DECISION AWARDING DAMAGES<sup>1</sup>**

On June 17, 2008, Petitioner, Jesalee Parsons, filed a petition seeking compensation under the National Vaccine Injury Compensation Program (“the Vaccine Program”). Petitioner alleged that she suffered pancreatitis, as a result of receiving a Gardasil Vaccination.<sup>2</sup>

<sup>1</sup> Because this decision contains a reasoned explanation for the undersigned’s action in this case, the undersigned intends to post this decision on the United States Court of Federal Claims’ website, in accordance with the E-Government Act of 2002, Pub. L. No. 107-347, § 205, 116 Stat. 2899, 2913 (codified as amended at 44 U.S.C. § 3501 note (2006)). As provided by Vaccine Rule 18(b), each party has 14 days within which to request redaction “of any information furnished by that party: (1) that is a trade secret or commercial or financial in substance and is privileged or confidential; or (2) that includes medical files or similar files, the disclosure of which would constitute a clearly unwarranted invasion of privacy.” Vaccine Rule 18(b). Otherwise, “the entire” decision will be available to the public. Id.

<sup>2</sup> The National Vaccine Injury Compensation Program is set forth in Part 2 of the National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755, codified as

Respondent denies that Petitioner's Gardasil vaccination caused her pancreatitis, and/or any other injury. Nonetheless, both parties, while maintaining their above stated positions, agreed in a Stipulation, filed April 15, 2013, ("Stipulation") that the issues before them can be settled and that a decision should be entered awarding Petitioner compensation.

The undersigned finds said stipulation reasonable and adopts it as the decision of the Court in awarding damages, on the terms set forth therein.

The stipulation awards:

A lump sum of \$55,000.00 in the form of a check payable to Petitioner. This amount represents compensation for all damages that would be available under 42 U.S.C. §300aa-15(a) to which Petitioner would be entitled; and

Stipulation ¶ 8(a).

A lump sum of \$13,090.29, which represents reimbursement of a State of Oklahoma Medicaid lien, in the form of a check payable jointly to Petitioner.<sup>3</sup> and:

Oklahoma Health Care Authority  
P.O. Drawer 18497  
Oklahoma City, OK 73154  
Attn: Heather Grubb

Petitioner agrees to endorse this payment to the State.

Stipulation ¶ 8(b).

The parties further stipulated that they had reached the following agreement with respect to attorneys' fees:

A lump sum of \$1,500.00 in the form of a check payable to Petitioner and Petitioner's attorney, Michael G. McLaren, for attorneys' fees and costs. In

accordance with General Order No. 9, Petitioner represents that she incurred no out-of-pocket expenses in proceeding on the petition.

Stipulation ¶8(c).

The above amounts represent compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a). Stipulation ¶ 8.

The undersigned approves the requested amounts for Petitioner's compensation. In the absence of a motion for review filed pursuant to RCFC Appendix B, the clerk of the court is directed to enter judgment herewith.<sup>4</sup>

No. 08-447V (ECF)  
SPECIAL MASTER  
LISA HAMILTON-FIELDMAN

STIPULATION

The parties hereby stipulate to the following matters:

1. Petitioner filed a petition for vaccine compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 to 34 (the "Vaccine Program"). The petition seeks compensation for injuries allegedly related to petitioner's receipt of the Human Papillomavirus ("HPV") vaccine, which vaccine is contained in the Vaccine Injury Table (the "Table"), 42 C.F.R. § 100.3(a).
2. Petitioner received an HPV immunization on February 27, 2007.
3. The vaccine was administered within the United States.
4. Petitioner alleges that she developed pancreatitis that was caused-in-fact by her HPV vaccination. She further alleges that she has experienced residual effects of this injury for more than six months.
5. Petitioner represents that there has been no prior award or settlement of a civil action for damages on her behalf as a result of her condition.

6. Respondent denies that petitioner's pancreatitis, or the sequella of this condition, or any other condition, was caused-in-fact by her HPV vaccination.

7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payments:

a. A lump sum of \$55,000.00 in the form of a check payable to petitioner. This amount represents compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a); and

b. A lump sum of \$13,090.29, which represents reimbursement of a State of Oklahoma Medicaid lien, in the form of a check payable jointly to petitioner<sup>1</sup> and

Oklahoma Health Care Authority  
P.O. Drawer 18497  
Oklahoma City, Ok 73154  
Attn: Heather Grubb

Petitioner agrees to endorse this payment to the State; and

c. A lump sum of \$1,500.00 in the form of a check payable to petitioner and petitioner's attorney, Michael G. McLaren, for attorneys' fees and costs available under 42 U.S.C. § 300aa-15(e), and, in compliance with General Order #9, no out-of-pocket expenses were incurred by petitioner in proceeding on the petition.

9. Petitioner and her attorney represent that compensation to be provided pursuant to this Stipulation is not for any items or services for which the Program is not primarily liable under 42 U.S.C. § 300aa-15(g), to the extent that payment has been made or can reasonably be expected to be made under any State compensation programs, insurance policies, Federal or

<sup>1</sup> The check should also include petitioner's Oklahoma Health Care Authority member number of 027546260 in the memo line.

State health benefits programs (other than Title XIX of the Social Security Act (42 U.S.C. § 1396 et seq.)), or by entities that provide health services on a pre-paid basis.

10. Payments made pursuant to paragraph 8 of this Stipulation will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

11. The parties and their attorneys further agree and stipulate that, except for any award for attorneys' fees and litigation costs, the money provided pursuant to this Stipulation will be used solely for the benefit of petitioner as contemplated by a strict construction of 42 U.S.C. § 300aa-15(a) and (d), and subject to the conditions of 42 U.S.C. § 300aa-15(g) and (h).

12. In return for the payments described in paragraph 8, petitioner, in her individual capacity and on behalf of her heirs, executors, administrators, successors or assigns, does forever irrevocably and unconditionally release, acquit and discharge the United States and the Secretary of Health and Human Services from any and all actions or causes of action (including agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature) that have been brought, could have been brought, or could be timely brought in the Court of Federal Claims, under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 et seq., on account of, or in any way growing out of, any and all known or unknown, suspected or unsuspected personal injuries to or death of petitioner resulting from, or alleged to have resulted from, the HPV vaccination administered on February 27, 2007, as alleged by petitioner in a petition for vaccine compensation filed on or about June 17, 2008, in the United States Court of Federal Claims as petition No. 08-447V.

13. If petitioner should die prior to entry of judgment, this agreement shall be voidable upon proper notice to the Court on behalf of either or both of the parties.

14. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation or if the Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be voidable at the sole discretion of either party.

15. This Stipulation expresses a full and complete negotiated settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended. There is absolutely no agreement on the part of the parties hereto to make any payment or to do any act or thing other than is herein expressly stated and clearly agreed to. The parties further agree and understand that the award described in this Stipulation may reflect a compromise of the parties' respective positions as to liability and/or amount of damages, and further, that a change in the nature of the injury or condition or in the items of compensation sought, is not grounds to modify or revise this agreement.

16. This Stipulation shall not be construed as an admission by the United States or the Secretary of Health and Human Services that petitioner's pancreatitis, or the sequella of this condition, or any other condition, was caused-in-fact by her HPV vaccination

17. All rights and obligations of petitioner hereunder shall apply equally to petitioner's heirs, executors, administrators, successors, and/or assigns.
