Stipulation; Tetanus-Diphtheria-acellular Pertussis; Guillain-Barré syndrome; attorneys' fees and costs; award in the amount to which respondent does not object.

### UNPUBLISHED DECISION<sup>1</sup>

Mark L. Krueger, Krueger & Hernandez, S.C., Baraboo, WI, for Petitioner;  
Debra A. Filteau Begley, U.S. Department of Justice, Washington, D.C., for Respondent.

On November 14, 2012, respondent filed a joint stipulation concerning the petition for compensation filed by Timothy E. Dowden (“petitioner”) on April 16, 2012. In his petition, Mr. Dowden alleged that the Tetanus-Diphtheria-acellular Pertussis (“Tdap”) vaccine, which is contained in the Vaccine Injury Table (the “Table”), 42 C.F.R. §100.3(a), and which he received on August 22, 2011, caused him to develop Guillain-Barré syndrome (“GBS”). Mr. Dowden further alleges that he suffered the residual effects of this injury for more than six months. Mr. Dowden represents that there has been no prior award or settlement of a civil action for damages on his behalf as a result of his condition.

Respondent denies that petitioner’s GBS, or any other injury, was caused-in-fact by his Tdap vaccination.

Nevertheless, the parties agree to the joint stipulation, attached hereto as Appendix A. The undersigned finds said stipulation reasonable and adopts it as the decision of the Court in awarding damages and attorneys’ fees and costs, on the terms set forth therein.

<sup>1</sup> The E-Government Act of 2002, Pub. L. No. 107-347, 116 Stat. 2899, 2913 (Dec. 17, 2002), requires that the Court post this decision on its website. Pursuant to Vaccine Rule 18(b), the parties have 14 days to file a motion proposing redaction of medical information or other information described in 42 U.S.C. § 300aa-12(d)(4). Any redactions ordered by the special master will appear in the document posted on the website.

Compensation awarded in that stipulation includes:

- A. A lump sum payment of \$135,000.00 in the form of a check payable to Timothy E. Dowden, petitioner. This amount represents compensation for all damages that would be available under 42 U.S.C. §300aa-15(a); and**
- B. A lump sum of \$13,500.00 in the form of a check payable jointly to petitioner and petitioner's attorney, Mark L. Krueger, for attorneys' fees and costs available under 42 U.S.C. §300aa-15(e), and, in compliance with General Order #9, no out-of-pocket expenses were incurred by petitioner in proceeding on the petition.**

In the absence of a motion for review filed pursuant to RCFC, Appendix B, the clerk is directed to enter judgment in case 12-246V according to this decision and the attached stipulation.

Any questions may be directed to my law clerk, Jay All, at (202) 357-6353.

**IT IS SO ORDERED.**

STIPULATION

The parties hereby stipulate to the following matters:

1. Petitioner filed a petition for vaccine compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10 to 34 (the "Vaccine Program"). The petition seeks compensation for injuries allegedly related to petitioner's receipt of the Tetanus-Diphtheria-acellular Pertussis ("Tdap") vaccine, which vaccine is contained in the Vaccine Injury Table (the "Table"), 42 C.F.R. § 100.3 (a).
2. Petitioner received a Tdap immunization on August 22, 2011.
3. The vaccine was administered within the United States.
4. Petitioner alleges he developed Guillain Barré syndrome ("GBS") that was caused-in-fact by his Tdap vaccination and that he experienced residual effects of this injury for more than six months.
5. Petitioner represents that there has been no prior award or settlement of a civil action for damages as a result of his condition.

6. Respondent denies that petitioner's GBS, or any other injury, was caused-in-fact by his Tdap vaccination.

7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payments:

a. A lump sum of \$135,000.00 in the form of a check payable to petitioner. This amount represents compensation for all damages that would be available under 42 U.S.C. §300aa-15(a); and

b. A lump sum of \$13,500.00 in the form of a check payable jointly to petitioner and petitioner's attorney, Mark L. Krueger, for attorneys' fees and costs available under 42 U.S.C. § 300aa-15(e), and, in compliance with General Order #9, no out-of-pocket expenses were incurred by petitioner in proceeding on the petition.

9. Petitioner and his attorney represent that they have identified to respondent all known sources of payment for items or services for which the Program is not primarily liable under 42 U.S.C. § 300aa-15(g), including State compensation programs, insurance policies, Federal or State health benefits programs (other than Title XIX of the Social Security Act (42 U.S.C. § 1396 et seq.)), or entities that provide health services on a pre-paid basis.

10. Payments made pursuant to paragraph 8 of this Stipulation will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

11. The parties and their attorneys further agree and stipulate that, except for any award for attorneys' fees, and litigation costs, the money provided pursuant to this Stipulation

will be used solely for the benefit of petitioner as contemplated by a strict construction of 42 U.S.C. § 300aa-15(a) and (d), and subject to the conditions of 42 U.S.C. § 300aa-15(g) and (h).

12. In return for the payments described in paragraph 8, petitioner, in his individual capacity and on behalf of his heirs, executors, administrators, successors or assigns; does forever irrevocably and unconditionally release, acquit and discharge the United States and the Secretary of Health and Human Services from any and all actions or causes of action (including agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature) that have been brought, could have been brought, or could be timely brought in the Court of Federal Claims, under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 et seq., on account of, or in any way growing out of, any and all known or unknown, suspected or unsuspected personal injuries to or death of petitioner resulting from, or alleged to have resulted from, the Tdap vaccination administered on August 22, 2011, as alleged by petitioner in a petition for vaccine compensation filed on or about April 16, 2012, in the United States Court of Federal Claims as petition No. 12-246V.

13. If petitioner should die prior to entry of judgment, this agreement shall be voidable upon proper notice to the Court on behalf of either or both of the parties.

14. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation or if the Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be voidable at the sole discretion of either party.

15. This Stipulation expresses a full and complete negotiated settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended. There is absolutely no agreement on the part of the parties hereto to make any payment or to do

Respectfully submitted,
