Albert J. Brooks, Jr., Philadelphia, PA, for petitioner.

**MILLMAN, Special Master**

### DECISION AWARDING DAMAGES<sup>1</sup>

On September 21, 2009, the parties filed the attached stipulation, in which they agreed to settle this case and described the settlement terms. Petitioner alleged that she suffered from Guillain-Barre Syndrome ("GBS") following an influenza ("flu") vaccination. Respondent denies that petitioner's GBS was caused in fact by her influenza vaccination. Nonetheless, the parties agreed to resolve this matter informally.

**STIPULATION**

The parties hereby stipulate to the following matters:

1. Jeanne Eason ("petitioner") filed a petition for vaccine compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §§ 300aa-10 to -34 (the "Vaccine Program"). The petition seeks compensation for injuries allegedly related to petitioner's receipt of her influenza ("flu") vaccine, which vaccine is contained in the Vaccine Injury Table (the "Table") at 42 C.F.R. § 100.3(a).
2. Petitioner received a flu vaccination on October 17, 2006.
3. The vaccine was administered within the United States.
4. Petitioner alleges that she sustained a vaccine-related injury diagnosed as Guillain-Barre Syndrome ("GBS") that was caused in fact by the vaccination. She further alleges that the sequelae of that injury persisted for over six months.
5. Petitioner represents that there has been no prior award or settlement of a civil action for damages on her behalf as a result of her condition.
6. Respondent denies that petitioner's GBS and sequelae were vaccine-related.

7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payment:

A lump sum payment of \$110,000.00 in the form of a check payable to petitioner. This amount represents compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a).

9. As soon as practicable after the entry of judgment on entitlement in this case, and after petitioner has filed both a proper and timely election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), and an application, the special master shall preside over further proceedings to award reasonable attorneys' fees and costs incurred in proceeding upon this petition.

10. Payment made pursuant to paragraph 8 of this Stipulation and any amounts awarded pursuant to paragraph 9 will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

11. The parties and their attorneys further agree and stipulate that, except for any award for attorneys' fees and litigation costs, the money provided pursuant to this Stipulation will be used solely for the benefit of petitioner as contemplated by a strict construction of 42 U.S.C. § 300aa-15(a) and (d), and subject to the conditions of 42 U.S.C. § 300aa-15(g) and (h).

12. In return for the payments described in paragraphs 8 and 9, petitioner and her heirs, executors, administrators, successors or assigns, does forever and fully expressly release, acquit and discharge the Secretary of Health and Human Services and the United States of America from any and all actions, causes of action, agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature on account of, or in any way growing out of, any and all known or unknown personal injuries to, or death of, petitioner resulting from, or alleged to have resulted from, the flu vaccination that was administered on October 17, 2006, as alleged by petitioner in a petition for vaccine compensation filed on or about August 26, 2008 in the United States Court of Federal Claims as Petition No. 08-600V.

13. If petitioner should die prior to receiving the payment described in paragraph 8, this agreement shall be considered voidable upon proper notice to the Court on behalf of either or both of the parties.

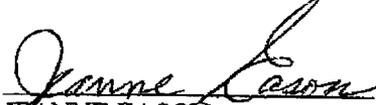

14. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation, or if the Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be null and void at the sole discretion of either party.

15. This Stipulation expresses a full and complete settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended, except as otherwise noted in paragraph 9 above. There is absolutely no agreement on the part of the parties hereto to make any payment or to do any act or thing other than is herein expressly stated and clearly agreed to.

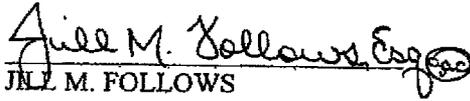

Respectfully submitted,
