Stipulation; Hepatitis B; Sensory
Neuropathy.

UNPUBLISHED DECISION¹

Anne C. Toale, Esq., Maglio, Christopher & Toale, Sarasota, F.L., for Petitioner;
Ryan D. Pyles, Esq., U.S. Department of Justice, Washington, D.C., for Respondent.

On June 1, 2008, the parties filed a joint stipulation concerning the petition filed by Susan Kreider on July 2, 1999. In the petition, Ms. Kreider alleged that her receipt of a Hepatitis B vaccine series, which vaccine is contained in the Vaccine Injury Table, 42 C.F.R. §100.3, and which Ms. Kreider received on or about September 21, 1990, October 21, 1990 and March 19, 1991, caused or significantly aggravated a rheumatological condition, such as a mixed connective tissue disorder, and/or caused or significantly aggravated a sensory neuropathy.

Respondent denies that the Hepatitis B immunization is the cause of Ms. Kreider’s mixed connective tissue disorder, sensory neuropathy and/or any other injury. Nevertheless, the parties agree to the joint stipulation, attached hereto as Appendix A. The undersigned finds said stipulation

¹ Because this unpublished decision contains a reasoned explanation for the special master's action in this case, the special master intends to post it on the United States Court of Federal Claims's website, in accordance with the E-Government Act of 2002, Pub. L. No. 107-347, 116 Stat. 2899, 2913 (Dec. 17, 2002).

All decisions of the special masters will be made available to the public unless they contain trade secrets or commercial or financial information that is privileged and confidential, or medical or similar information whose disclosure would clearly be an unwarranted invasion of privacy. When such a decision or designated substantive order is filed, the person submitting the information has 14 days to identify and to move to delete such information before the document’s disclosure. If the special master agrees that the identified material fits within the categories listed above, the special master shall redact such material from public access. 42 U.S.C. § 300aa-12(d)(4)(B); Vaccine Rule 18(b).

reasonable and adopts it as the decision of the Court in awarding damages, on the terms set forth therein.

Damages awarded in that stipulation include:

A lump sum of \$100,000.00 in the form of a check payable to petitioner. This amount represents compensation for all damages that would be available pursuant to 42 U.S.C. § 300aa-15(a).

In the absence of a motion for review filed pursuant to RCFC, Appendix B, the clerk is directed to enter judgment in case 99-426V according to this decision and the attached stipulation.

Any questions may be directed to Francina Segbefia at (202) 357-6358.

IT IS SO ORDERED.

STIPULATION

The parties hereby stipulate to the following matters:

1. Petitioner Susan Kreider filed a petition for vaccine compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 to 34 (the "Vaccine Program"). The petition seeks compensation for injuries allegedly related to Ms. Kreider's receipt of a Hepatitis B vaccine series, which vaccine is contained in the Vaccine Injury Table (the "Table"), 42 U.S.C. § 300aa-14(c); 42 C.F.R. § 100.3 (a)(VIII).

2. Petitioner received three Hepatitis B immunizations on or about September 21, 1990, October 21, 1990 and March 19, 1991.

3. The vaccines were administered within the United States.

4. Petitioner alleges that the Hepatitis B vaccinations either caused or significantly aggravated a rheumatological condition, such as a mixed connective tissue disorder, and/or caused or

significantly aggravated a sensory neuropathy.

5. Petitioner represents that there has been no prior award or settlement of a civil action for damages on behalf of Susan Kreider as a result of her condition.

6. Respondent denies that Hepatitis B immunization is the cause of Susan Kreider's mixed connective tissue disorder, sensory neuropathy and/or any other injury.

7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payment:

A lump sum of \$100,000.00 in the form of a check payable to petitioner. This amount represents compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a).

9. As soon as practicable after the entry of judgment on entitlement in this case, and after petitioner has filed both a proper and timely election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), and an application, the parties will submit to further proceedings before the special master to award

reasonable attorneys' fees and costs incurred in proceeding upon this petition.

10. Payment made pursuant to paragraph 8 and any amounts awarded pursuant to paragraph 9 of this Stipulation will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

11. The parties and their attorneys further agree and stipulate that, except for any award for attorneys' fees and litigation costs, the money provided pursuant to this Stipulation will be used solely for the benefit of petitioner as contemplated by a strict construction of 42 U.S.C. § 300aa-15(a) and (d), and subject to the conditions of 42 U.S.C. § 300aa-15(g) and (h).

12. In return for the payments described in paragraphs 8 and 9, petitioner does forever and fully expressly release, acquit and discharge the Secretary of Health and Human Services and the United States of America from any and all actions, causes of action, agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature on account of, or in any way growing out of, any and all known or unknown personal injuries to or death of petitioner resulting from, or alleged to have resulted from, the Hepatitis B vaccinations administered on or about September 21, 1990, October 21, 1990, and March 19, 1991, as alleged by petitioner in a petition for vaccine compensation filed on or about July 2, 1999, and as alleged by petitioner in an

amended petition filed on or about July 28, 2006, in the United States Court of Federal Claims as petition No. 99-426V.

13. If petitioner should die prior to receiving the payment described in paragraph 8, this agreement shall be considered voidable upon proper notice to the Court on behalf of either or both of the parties.

14. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation or if the Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be null and void at the sole discretion of either party.

15. This Stipulation expresses a full and complete settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended, except as otherwise noted in paragraph 9 above. There is absolutely no agreement on the part of the parties hereto to make any payment or to do any act or thing other than is herein expressly stated and clearly agreed to.

16. All rights and obligations of petitioner hereunder shall apply equally to petitioner's successors and assigns.

END OF STIPULATION
